Reference ID : 331

Bathrooms : 4

Sqft : 213.68 m²

Type : Apartment

This spacious house of more than 200 m2 feels like a city apartment near the center of St Tropez. The living area is located on the first and 2nd floor. On the ground floor is a studio, the garage and the laundry room.

The house has 4 bedrooms and 4 bathrooms, a large living room with open kitchen that opens directly onto one of the terraces.

Extremely suitable for people who like to come to St Tropez or want to settle there. There is no garden, but there are two beautiful terraces at the back of the house.

The location is special: on a main road just outside the center. It is well insulated so you are not bothered by traffic.

The house easily rents out to tourists in the summer.
